## BUSINESS SKILLS

---

[ 24/10/2022 – Current ]

### Business skills

In my eight months at Tilde Loop as a software engineer, I have developed strong business skills, specializing in Svelte and Svelte Kit with TypeScript. These skills include software development, problem-solving, adaptability, team collaboration, time management, attention to detail, continuous learning, customer focus, initiative, and quality assurance.

[ 29/11/2021 – 23/10/2022 ]

### Business skills

During my time as a student at Maurer Electronics d.o.o., I contributed to an internal project that involved working with React Native and Kotlin.

## OTHER SKILLS

---

### Other skills

Creation of web pages, mobile applications, I am good with the Adobe package (mostly Photoshop and Dreamweaver). I acquired all these skills on my own, working on the computer because I have always been interested in it. I like to watch football, handball, basketball, tennis. I like to read books and surf the Internet, go to the cinema, the theater.
