ABOUT ME

Frontend Developer with experience working on internal projects focused on educating people. Skilled in Svelte/SvelteKit with TypeScript, with a strong emphasis on creating efficient and user-friendly web applications. In my free time, I enhance my knowledge in React and Next.js to stay current with the latest trends in frontend development.

WORK EXPERIENCE

Software developer

Tilde Loop [24/10/2022 – Current]

City: Split | **Country:** Croatia

Working on a large project aimed at helping workers quickly master the language of the country they are moving to.
Building solutions using Svelte / SvelteKit with Typescript.
Using SaSS for styling and improving accessibility (WCAG compliance).
Optimizing project performance and implementing best practices in modern web development.

Mobile application developer

Maurer Electronics d.o.o. [29/11/2021 – 23/10/2022]

City: Split | **Country:** Croatia

Developing a mobile application for an internal company project using React and React Native.
Collaborating with cross-functional teams to design and implement user-friendly interfaces.
Ensuring optimal performance and responsiveness across multiple devices.
Utilizing state management libraries for efficient data handling and seamless user experiences.
Improving code quality and maintainability by following best practices and conducting regular code reviews.
Debugging and resolving complex issues to ensure a stable and reliable application.

JIRA / Git / Bitbucket

Database
NoSQL (MongoDB) / Google FireBase / MySQL

Programming languages
C language / Basic knowledge Kotlin

COURSES

Udemy courses

- Svelte Tutorial and Projects Course **- J.Smilga** (2023.)
- Svelte & SvelteKit: The Complete Guide **- A.Alaa** (2023.)
- Next.js 15 & React - The Complete Guide - **M.Schwarzmüller** (2024.)
- Complete React, Next.js & TypeScript Projects Course 2024 - **J.Smilga** (2024.)

PROJECTS

Github Link to my Github account where my works are located.

Link: https://github.com/jopaa10

Portfolio A personal website built using React and SCSS, designed to showcase my work while improving my skills in React. The project emphasizes the use of reusable components and context for easier data management. The entire website is fully responsive, adapting seamlessly to devices with different screen sizes. The site is deployed on Vercel for reliable hosting and performance.

DRIVING LICENCE

Driving Licence: AM
Driving Licence: B

ORGANISATIONAL SKILLS

Team Collaboration and Project Management Skills I have been an integral part of a team, where I contributed to various projects and ensured efficient task completion. Although I haven't yet had the opportunity to lead a team, I am eager to take on more responsibility and step into leadership roles when the time comes. I am highly organized, able to manage multiple tasks effectively, and always strive to ensure that deadlines are met and team goals are achieved. I am open to collaboration, willing to support my teammates, and ready to take on new challenges that involve coordination, planning, and management.

COMMUNICATION AND INTERPERSONAL SKILLS

Collaborative and Clear Communication I am a highly communicative person with strong interpersonal skills, ready to collaborate effectively and learn new concepts. I am creative and open-minded, thriving in team environments where I can contribute to shared goals and foster positive relationships. I enjoy exchanging ideas, providing constructive feedback, and supporting my colleagues to achieve success together.

VOLUNTEERING

[18/06/2020 – 21/06/2020] Zadar
Volunteer at the Adria Tour tennis tournament

[05/01/2018 – 28/01/2018] Split
Media volunteer for the European Handball Championship in Croatia

OTHER SKILLS

Technical Proficiency and Design Expertise

I specialize in creating web pages and mobile applications and am proficient in the Adobe suite, particularly Photoshop and Dreamweaver. I have developed these skills independently, driven by my long-standing passion for technology and design. In addition to my technical abilities, I have a deep interest in photography and video editing, which I use to create engaging content for social media. Outside of work, I enjoy watching football, handball, and tennis. Traveling the world and exploring new cultures is something I love, and I take great pleasure in planning trips, organizing every detail of my adventures to ensure a memorable experience.
